EXTRA-CURRICULAR ACTIVITIES & SPORTS PROVISION

2025 - 2026 | Term 2

Dear Students and Parents,

We are thrilled to introduce our Term 2 Extracurricular Activities (ECA) Programme at Dwight School Dubai.

There is a vibrant and diverse selection of activities designed to enrich learning, ignite passion, and strengthen connections across our school community. Thanks to the enthusiasm and expertise of our dedicated staff and external partners, students will have access to high-quality opportunities that foster creativity, collaboration, and personal growth.

As the programme evolves for Term 2, we have taken into account current provision and the clubs popularity, weather, seasonal interest and student - parent feedback. We are pleased to reduce the number of paid ECA's by 45% whilst adding new additional activities below:

- Lower School and Upper School Cricket
- Lower and Upper School Athletics
- Girls Volleyball
- Ballet
- Aero-modelling and Drone Flying in our new drone tower
- PADI Certified Scuba Diving

We're excited to continue our DASSA sports program in Term 2, with many of our favourite activities carrying on, including Swimming and our whole-school Football teams. For the first time, all Secondary Football teams will take part in the DASSA Knockout Cup, offering students an exciting new level of competition.

Our MYP Netball teams will begin their competitive seasons, and we're pleased to offer U14 and U16 Girls Volleyball this term as well. Students can also join our Athletics/Track & Field squads, available for both Lower School and Upper School.

At Dwight, we encourage every student to embrace a multi-sport approach, explore new challenges, and build a love of being active. Weekly training sessions and DASSA matches will continue for all squads, with additional festivals and tournaments ahead, especially in Athletics and Netball.

Let's make Term 2 an energetic and inspiring season of sport!

Registration:

To make registration more convenient, we have launched an improved SchoolsBuddy plugin. This upgraded platform simplifies the process for families to browse, select, and register for activities quickly and easily, helping everyone make the most of what our ECA programme has to offer.

Sign up dates and times:

As ECA's are starting immediately after the winter break, the sign up window is open from Wednesday 3rd December and closes on Wednesday 31st December to enable ECA's to commence on Monday 5th January. Those pupils who miss the sign up window will be eligible to start ECA's on the 12th January, a second sign up window will open prior to this. Upper School pupils will be given the opportunity to sign up independently after discussion with parents.

Dwight led ECA's will cease for the Ramadan Period. Externally provided ECA's will continue for a 10 week window, finishing on the 13th March. Timings will be confirmed in due course.

How to make your internal ECA programme bookings:

Step 1: Log into your iSAMS parent portal account with your username and password

Step 2: Go to the 'Services' tab and click on 'Schools Buddy' from the drop down menu

Step 3: Select '2025 | Term 2 | Sports / Extra Curricular Activities' - Upper School or Lower School - and book your activities. The activities will be divided into Morning, Lunchtime & Afternoon activities for each phase.

Parents will be notified of confirmed ECA choices via the Schools Buddy platform. Additionally, in a new and exciting feature, Upper School students will be able to register for their own ECAs in dedicated sign up sessions during the school day. However, this is not exclusive and a conversation at home between parent(s) & student(s) is recommended to ensure the right activities are selected for Upper School students.

If you are not able to access the ISAMS parent portal you can email: Rushna Patel (rpatel@dwight.ae) for assistance.

ECAs may not run on certain dates due to school closure, parent-teacher conferences, national holidays, or staff professional development days. These dates are detailed in the ECA calendar. Although we are advertising a wide range of ECAs they may not all run due to viability, such as a limited sign up. Our aim is to ensure the vast majority of ECAs offered are able to run.

Kind regards,
Alistair Munro
ECA Coordinator

12:15 - 1:15 pm	Chess	Chess Knowledge – Where kings, queens, and young minds come to explore strategy, imagination, and fun. Our classes transform timid pawns into bold strategists, teaching students to think 5 moves ahead in chess and in life. This isn't just a game; it's a training ground for future leaders and creative problem-solvers.	KG2 - G5	Chess Knowledge External Provider
12:15 - 3:15 pm	Football	Led by FA-trained coaches with experience both in the UAE and internationally, ISM provides top-quality football coaching in a supportive and inspiring environment. Our sessions focus on ball mastery and football fundamentals, helping students develop key skills such as control, coordination, and confidence on the pitch. We also encourage problem-solving through game-based challenges—skills that benefit children both in sport and in life. And most importantly—football is fun! Our aim is for every child to finish each session smiling, energized, and excited for the next one.	KG2 - G5	ISM External Provider
12:15 - 1:15 pm	Tennis	Led by expert coaches with international experience, ISM Tennis Academy focuses on developing strong technical foundations, including racket control, movement, and court awareness. Our sessions are designed to build coordination, confidence, and quick thinking—skills that go far beyond the game. Each lesson combines structured skill-building with engaging, game-based activities that encourage strategy and sportsmanship. We believe learning tennis should be enjoyable and rewarding, and we aim to ensure every child finishes each session with a smile and a sense of achievement. Tennis is more than a sport—it's a lifelong passion. With ISM Tennis Academy, your child can discover their potential, grow their abilities, and fall in love with the game. Dwight LIONS

Sports Academy

Team Training provided by the PHE Department

Each term, a range of competitive and development activities will be offered by the PHE Department and our external providers. The sports offered are dictated by the season, facilities available and also follow the 'DASSA' calendar. DASSA is the organisation responsible for organising school sport across Dubai, and they implement a seasonal model which facilitates a rotation of main sports throughout the year. However, we recognise the importance and need of certain sports within our community, and therefore some sports such as Swimming and Football can be delivered all year round, for certain age groups.

The information below provides you with the relevant information required so you can decide which opportunities to undertake:

Competitive

These are squads that will compete in the DASSA (Dubai Affiliated School Sport Association) league against other schools across Dubai and are delivered and organised by the PHE Department. Competitive squads require weekly commitment for training sessions and matches, and a 'trial' will be organised to determine which students are selected for the squad. Each term, a range of age groups are offered based on the DASSA calendar. Therefore, if your child's age group is not available in Term 1, check the seasonal calendar to look ahead to opportunities in Term 2 & Term 3.

Development

Development sessions are for students who want to engage in a sport for the sake of enjoyment and development, and may not wish to engage in competitive opportunities. Additionally, after the 'trial' for each competitive squad, those students who may need additional time to develop will be offered a place in the recreational session. This allows us to create a pathway between recreational and competitive opportunities, and also to deliver the most popular sports all year round. Development sessions are largely delivered by our external providers, and are free to access.

Recreational

Suitable for students who are new to the sport and/or would like to have fun and be active.

Inter-School

Suitable for students with existing experience in the sport who will be introduced to friendly competition within the Dwight environment before entering the DASSA leagues.
